Importance: High

Do we have a few speaking points or slides we could give to Honker to discuss San Jacinto? The meeting is in Houston, and I think with all the litigation surrounding the site it would be of interest to this group. Would need by COB Thursday.

Importance: High

Bill drew the short straw to speak at this industry conference. His core presentation will be centered on water (of course) but I note that Oil/Gas enforcement, superfund mega sites, and other S-F resonating issues are on the agenda. Can we give him some short paragraphs to include or be smart about?

I may get the short straw next so let's help him...

David – this is the lunchtime keynote I’m doing on Tuesday, so if you have talking points or other material, I’d appreciate it. I’d like to focus on successes in the Region.

Wren, John, Carl, Suzanne – if you have anything you want me to include, let me know.

I’d like to have any input by COB Thursday (2/5) if possible.

Thanks.

Bill

Importance: High

Bill,

We are so delighted that you are going to be our luncheon speaker at the annual Baker Botts Environmental Seminar. I attach to this email some details about the seminar. We draw a national crowd of attendees, but as you might expect, our largest contingency of guests is typically from Region 6, so they will be quite interested in any and everything that a Region 6 EPA Management team representative has to say.

I am looking forward to visiting with you before the seminar so that I can give you a proper introduction as our luncheon speaker. And, I promise not to divulge wild stories about you, for example, your Cone head skit at the EPA Christmas party long ago.

Thanks,
Molly

Importance: High

Attached is the current agenda and below are details regarding the seminar:

DATE/TIME: Tuesday, February 10, 2015, 7:30 a.m. to 4:00 p.m.

LOCATION: [Hyatt Regency Houston](#), 1200 Louisiana Street, Houston, Texas 77002

EVENT DESCRIPTION: For over a decade, this one-day event has featured high-level government and other environmental industry speakers. The Seminar attracts nearly 200 leaders in the petroleum, chemical, manufacturing and high tech sectors.

ROOM BLOCK: [Click here](#) to reserve a room at the Hyatt for a discounted conference rate.

PARKING: We will have valet parking vouchers available if you park at the hotel. Additional parking options can be found nearby, ranging from \$7 - \$20 a day.

SPEAKER INFO: The luncheon keynote speaker is scheduled to present at 11:45 a.m. in Imperial Ballroom West. Please arrive at least 30 minutes prior so the technical staff can provide A/V orientation. If you plan to have a PowerPoint presentation or handout, please email to Natalie Prewitt at natalie.prewitt@bakerbotts.com by Friday.
